

# Enjoy a Tour of Our Town & Make Connections

**Let us set up a personalized site tour of Polson!** We know that every business and business owner has different needs. Let us help you get to know our community by developing a personalized itinerary for a tour of Polson, including the opportunity for you to meet with local elected officials and business groups, visit with similarly situated business owners, and be treated to the recreation, sights, and experiences you will enjoy if you choose to start your business here.

The Polson Chamber will facilitate a tour or put you in contact with any of the elected officials or business owners. Please contact us at [info@polsonchamber.com](mailto:info@polsonchamber.com).

**Elected Officials and Business Organizations:** Get connected with elected officials and specific business organizations that can help you get your business started or set up in Polson.
